Timely Submission of Scores

The prompt submission of acceptable scores from authorized formats of play is an important part of ensuring the integrity of your Handicap Index

If you fail to submit a score promptly when required, the Handicap Committee will determine whether there was a valid reason, such as forgetfulness or injury

If the reason was valid and an acceptable score is still discoverable, that score will be posted to your scoring record and your Handicap Index updated

In the most serious cases, such as repeated failure to submit acceptable scores, the Handicap Committee has discretion to apply an additional penalty score, reset the player's Handicap Index or consider other disciplinary procedures

If the score is not discoverable, the Handicap Committee may post a penalty score

If there was no valid reason and an acceptable score is discoverable, the Handicap Committee will post that score to your scoring record.
